Overseas Partnership Committee

INVITATION TO JOIN

Do you have an interest in the overseas activities of the St Vincent de Paul Society?

Do you want to support Vincentians in our neighbouring countries through Twinning and Assist-a-Student Programs?

This is one of the activities most cherished by the Society. The awareness of acute poverty in a great number of countries and the Vincentian preferential option for the poor spur Conferences to assist others with less resources or in particular situations.

This direct link between two Conferences, consisting of sharing prayer, a profound friendship and material resources, is called twinning.

This activity contributes to world peace and to understanding and cultural exchange among peoples.

The Rule Part 1: 4.1.

The SA Overseas Partnership Committee seeks new members from metro and regional areas to join with them to assist our conference members in engaging with their Twin conferences. Vinnies SA has twins in India, Indonesia, Philippines and Thailand.

The SA Overseas Partnership Committee raises awareness for Assist-A-Student programs.
