good works

WHAT WE DO

Tom Fisher House provides a safe sleep for long-term rough sleepers with complex needs. It can provide up to 7 nights stay and is open between 5:30pm and 8:30am every night of the year.

Tom Fisher House offers:

- **Basic needs** including showers, laundry, food, clothes, mailing address, and computers - just to name a few.
- **Support staff** to build a trust and rapport with residents whilst developing plans focussed on helping them out of homelessness.
- **Referrals** and pathways to other specialist services such as doctors, drug & alcohol support, and mental health aid.
- **Collaborative care** involving feedback to case managers working with residents.

HOW WE WORK

Tom Fisher House uses a low threshold approach which enables people with complex needs to engage in the service by reducing the barriers and restrictions to access the service.

WHO WE WORK WITH

Tom Fisher House is for long-term rough sleepers with complex needs. It accommodates up to 12 people including men, women and couples. The service also accepts people with dogs.

HOW YOU CAN REFER

Tom Fisher House only accepts referrals from specialist Street to Home and outreach teams. Street to Home teams and outreach services are connected to the following day centres:

- Passages Resource Centre (for young people)
- Ruah Centre
- Tranby
- St Pats (Fremantle)
