Compeer to host an A Capella fundraising night

Compeer, a Special Work of the St Vincent de Paul Society, is hosting an A Capella fundraising night in one of Sydney's oldest churches.

Compeer is a friendship based program that matches volunteers with friends who are living with a mental illness. Volunteers and friends meet for a minimum of four hours a month as a way of providing social interaction to people who are experiencing isolation or loneliness.

The night will feature two Sydney based A Cappella groups, Senisudara Women's Choir and The Café of the Gate of Salvation. Senisudara Women's A Cappella offers vibrant music to nourish the soul.

The Café of the Gate of Salvation is an A Cappella choir inspired by the African-American vocal tradition: the passionate, committed and exciting music of gospel and spirituals.

Bring your friends, rug up, indulge in some tea and cake and be entertained on a cool winter's night whilst raising important funds for a life changing program.
