Vinnies introduces gift cards

Due to popular demand, Vinnies has introduced gift cards to the offer for customers at Vinnies shops across Victoria.

The cards are available to purchase and use in any Vinnies in the state and can be made to whatever amount the customer wishes. Vinnies Merchandise Manager Liz Randle said “People have been asking for them for a long time so it’s great to be able to meet that demand now. It’s great timing too as they make great Christmas gifts for people who love vintage and recycling”.

Funds raised in Vinnies shops are used by the St Vincent de Paul Society to support people in need in the local area.

“We say the gifts cards are ‘the gift that gives again’ because not only are they a gift to the person who receives the card, they’re also a gift to the local community that is being supported with the funds raised at that local Vinnies shop” said Ms Randle.

Find your nearest Vinnies shop and full terms and conditions at www.vinnies.org.au
