Exciting new changes for Vinnies shops on the Central Coast

Over the next three months Vinnies Shops on the Central Coast will be opening a new shop to bring Vinnies bargains and support to more people in the local Central Coast community.

A new Vinnies Shop will be opening at 3/490 Central Coast Highway, Erina Heights on Monday 2 December. The new shop will become a community hub for residents between Kincumber and The Entrance and Terrigal, Matcham, Holgate and Wamberal.

An energetic volunteer team will be transferring from Vinnies Gosford to open the shop with enthusiasm and drive.

Phil Coyte, Vinnies Central Coast Centres Manger said, "Vinnies is very eager and excited to work with the local community for this new store opening. At Erina Heights we will continue to provide great quality, affordable items and much needed financial, material and emotional support to people experiencing poverty and disadvantage in the local area."
