New Vinnies Store to Open in Victor Harbor

December 16 will see the doors open on the newest store for Vinnies and their first in Victor Harbor.

This store, located at shop 1 – 3 / 68 – 78 Victoria Street, Victor Harbor, will be the first in a new location opened in 19 years for this iconic brand.

Since 1884, Vinnies has been integral in the local communities throughout the State providing a hand up to those we are committed to serve. Our services continue to evolve as we uphold the core activity of home visitation, providing whatever is required to assist people keep their families together, their lives together and maintain a sense of dignity during their difficult times.

Each year the Society helps in excess of 100,000 South Australians by providing accommodation services, assistance to migrants and refugees, supplying food, clothing and furniture, budget counselling, youth programs and Fred's Van meals. Our Vinnies shops across South Australia are patronised by over 425,000 shoppers each year.

This new shop will increase the Vinnies stores state wide to 34 and stock a wide range of items including clothing, furniture, bric-a-brac and books.

Vinnies' South Australian State President Brian Spencer says "the opening of this new store is wonderful for the Victor Harbor community and the surrounding area. Whilst we have volunteers in Victor Harbor working to give a hand up to those seeking assistance from us, this new store is another way we are able to support the community."

The store will open its doors on Monday 16 December yet more volunteers are still needed to help. All enquiries are welcome by calling 8112 8700 or in store after the 16 December.

Goods donation can be made either at the store once opened or via the donation banks at the front of the store.
