Vinnies Erina Heights hosts designer fashion night

Vinnies Erina Heights is hosting a one-off special designer fashion night for an evening of great bargains with exclusive sales on second hand designer label wear.

After opening its doors in December, the new Vinnies Erina Heights has been extremely well received by the community. Phil Coyte, Central Coast Centres Manager explains that the staff and volunteers have been overwhelmed with positive feedback and support from the Central Coast community.

“This special night is not only a way of thanking shoppers for their support but it is also an opportunity for regular Vinnies shoppers and new Vinnies shoppers to come together to see what the store has on offer,” said Mr Coyte.

Refreshments will also be served on the night. If you would like to attend on the night please contact Vinnies Erina Heights on (02) 4367 6559 or visit the shop between 5pm & 7pm on Thursday 6 March.
