Vinnies Queensland administration trainee wins regional award

Vinnies Queensland administration trainee Krystal du Frocq has recently been crowned the TORGAS Regional Most Outstanding Business Administration Trainee of the Year.

Ms du Frocq who works for Vinnies Family Support Centre in Toowoomba, was recognised at a ceremony at the Ville Resort and Casino in Townsville earlier this month, where she was also named a finalist for the overall Trainee of the Year award.

The 29-year-old former trainee and now permanent employee of the Family Support Centre said she is thankful for the opportunity to serve the Toowoomba community.

“I love being able to help people every day,” She said.

“Vinnies really gave me a hand up, as they do for people.

“I started a Uni course straight after school but didn’t complete it due to the sudden loss of my mother, I did meet my now husband though and we now have two beautiful children.

I didn’t really have a career as such, so now I have a far better future outlook thanks to TORGAS and Vinnies.

Vinnies Toowoomba Family Support Centre Coordinator Vicki Berghofer said Krystal was a worthy recipient of the honour.

“Krystal comes in to our office with an abundance of imagination, creativity, care and compassion,” she said.

“We look forward to a wonderful working relationship with Krystal.”
