How to involve your school in a Vinnies School Sleepout

This information kit will help you plan and host a successful Vinnies School Sleepout.

Together with Vinnies your school can make a real difference in the lives of the 1 in 200 people experiencing homelessness every night in Australia.

★ What is A Vinnies School Sleepout?

The Vinnies School Sleepout allows students and school communities to get a glimpse of the realities of homelessness on a personal level by 'sleeping rough' for one night. The Sleepout encourages students and teachers to [gain a deeper understanding](#) of homelessness, [raise awareness](#) of the realities faced by people experiencing homelessness and [raise funds](#) to support Vinnies homeless services in the local community.

Join the Vinnies Sleepout family, you are joining thousands of fellow Australians just like you who want to make a real change to homelessness. Throughout the year and across the country schools, community groups and senior business leaders host Vinnies Sleepouts to help rebuild lives. Together, we are doing something about it.

The Cause

Homelessness is an issue often overlooked and misunderstood in Australia. Despite common belief, children and youth are some of the largest groups of Australians experiencing disadvantage.

On any given night in Australia 1 in 200 people are experiencing homelessness. This figure includes a staggering number of children and young people:

- More than 20,000 Australian children under the age of 12 have no permanent home
- 60% of the homeless population is under the age of 35 and in the prime of their life
- Children face an 18% higher risk of poverty compared to other age groups

You will notice Vinnies uses the words “experiencing homelessness” instead of “homeless person”. It is important to remember that homelessness is something you experience, not who you are.

It is critical that we provide people experiencing homelessness with the support to rebuild their lives and reconnect with the community. The ‘hands on’ nature of a Vinnies School Sleepout develops students’ understanding of the impact of homelessness and provides an opportunity to take action.

★ Why Get Involved?

Schools are uniquely placed to help shape and influence community awareness and opinions. Hosting a Vinnies School Sleepout will:

- Encourage students to connect with an evident and increasing need in their local community
- Challenge your school community to raise funds to make a difference through social justice
- Allow your school to advocate for people in need in your community
- Raise awareness of the many faces of homelessness to help break down stereotypes
- Connect with local homelessness services such as food vans, refuges, or support services
- Bring students together with a united cause that benefits the community
- Further educate your school and community

How a Vinnies School Sleepout Makes a Difference

Fundraising and promoting awareness can make a real difference in your school and the wider community.

Fundraising

Our work relies on donations from loyal supporters like your school to ensure we can continue providing our important services and rebuilding lives. Your Vinnies School Sleepout will play a substantial role in contributing to these donations.

Money and material goods raised will directly support people experiencing or facing homelessness in your local community.

Did you know?

- \$15** pays for a day's meals for a family struggling to put food on the table
- \$30** provides someone a bed for a night in one of our crisis accommodation services
- \$50** provides school supplies and excursion fees for a child experiencing disadvantage

See the Resource Kit for ideas and tips on fun, successful fundraising activities for your school.

Raising Awareness

Homelessness is a growing problem with more and more people turning to Vinnies for help. The Vinnies School Sleepout encourages students to talk to family and friends about homelessness and how we can each make a difference.

Homelessness is experienced by everyday people living in your local community. Many families living on the edge are only three pay packets away from homelessness. If individuals have no family or friends to rely on, it's easy for someone to fall through the cracks and end up sleeping in their car, couch surfing or on the street.

There are three different types of homelessness:

- **Primary homelessness:** People without conventional shelter, such as people living on the streets, sleeping in parks, squatting in derelict buildings or using cars or train carriages for temporary shelter.
- **Secondary homelessness:** People who move frequently from one form of temporary shelter to another. This includes all people staying in emergency or transitional housing or people residing temporarily with other households, such as couch surfing.
- **Tertiary homelessness:** Refers to people living in boarding houses for 13 weeks or longer. They are considered to be homeless because their accommodation is seen to be below "minimum community standards".

How to Organise a Vinnies School Sleepout

There are just 7 easy steps to making the most of your Vinnies School Sleepout.

1 Register your school

- Register
Click [here](https://vinnies.org.au/SASchoolSleepout) or visit vinnies.org.au/SASchoolSleepout to complete a registration form. We can create an online fundraising page for your event which you can share with others; it's an easy way to get the word out, raise awareness and collect donations all online. The website does half of the work for you!

2 Plan your event

- Choose a date We suggest anytime between May and August to overlap with Vinnies Winter Appeal. The colder months also give a sharper focus on what it is like to have no home.
- Pick a venue Choose a suitable, safe location within your school: multi-purpose centre/ hall, classrooms, staff rooms or parish grounds all work well.

Remember, your location should be:

- Safe
 - Offer appropriate sleeping conditions for students (Exposure to the elements is great for atmosphere but make sure there are also sheltered areas in case of rain).
 - Near toilet facilities with all night access
 - Near power facilities so you can make hot drinks/ meals
 - Near a water supply
 - Easily secured for participant safety
- Permissions Ensure you have permission to host the event from your relevant school administrator, that it adheres with school policies and that parents give permission for students to attend.
 - Volunteers Approach school staff and parents to supervise and participate at your Sleepout

3 Promote

- **Posters** Hang some up around your school
- **School newsletter** Include details in the issues leading up to the event
- **School assembly** Talk about your Vinnies School Sleepout at your school gatherings
- **Launch event** Consider hosting an event to kick off the fun and recruit students and teachers to participate (maybe a Soup Van themed lunch activity). This a great way to jumpstart your fundraising too!

4 Fundraise

- **Sponsorship** Ask students to seek donation sponsorship from as many people as possible - ask parents, relatives and friends, sporting groups, church or local businesses.
- **Activities** Host gold coin activities leading up to your Sleepout to raise awareness and fundraise (uniform-free day, soup van lunch, lunch time movies, breakfast clubs, etc.)
- **How to collect donations** Supporters can donate

online at your Vinnies School Sleepout Go Fundraise page that we will create for you, contribute to Vinnies School Sleepout collection boxes at classrooms/ school events or students can record and store cash donations using a Sponsorship Form.

5 Be prepared

- **Risks** Consider potential risks around your event and plan how to reduce or eliminate them.
- **First aid & emergencies** Have a first aid kit and trained first aid officer onsite. Create a sign-in sheet at the door so you have a record of participants present. Tell students about emergency and first aid procedures.
- **Cardboard** Ensure there are enough cardboard boxes for students to sleep on or use to build shelter. Consider asking a local business or your school office to donate cardboard or asking students to bring it in from home before the event.
- **Food** Organise simple food for dinner (and breakfast if hosting an overnight event). Ask a local business or your school tuckshop to donate items such as 2 minute noodles or soup or ask parents to donate items prior to the event.

- **What to bring** Send a reminder note to parents with event details and what to bring.
- **Gather your materials** Write up a schedule for the night, assign organising roles to teachers or volunteers and gather supplies needed for event activities, presentations and prepare certificates to hand out as students are leaving.
- **Take photos** Reserve the school camera so you can take lots of photos - ask a teacher or volunteer to be 'photographer' for the night.
- **Encourage donations** Consider planning a gold coin fundraising activity as a final push or as an opening activity at your Vinnies School Sleepout.

Vinnies Guest Speaker We can supply a guest speaker for your event to talk about Vinnies and the work we do. This could be someone that has experienced homelessness and/or one of our volunteers that works with people experiencing homelessness, just ask and we can provide someone that suits your theme for the night.

7 After your Vinnies School Sleepout

- **Thank everyone involved** Thank attendees, volunteers and donors to your Vinnies School Sleepout. Share photos, meaningful moments, how much you fundraised and how it will make a difference. Encourage last minute donations to help surpass your goal.
- **Update your school community** Write a report for the school newsletter or speak at assembly about what you learned and how your fundraising has made a difference. Vinnies State Support Office can also assist with local media.
- **Share your feedback** Share your Vinnies School Sleepout experience with our Vinnies team via email so we can celebrate your stories and help improve your Sleepout experience for next year. Send us your photos so we can show the Vinnies community how your school has made a real difference.
- **Collect and return donations** Online donations through your Vinnies School Sleepout Go Fundraise page will go straight to Vinnies. Collect all cash donations from students and ask your administrative

office to help you write a cheque or direct deposit the donations to Vinnies. We can give you the bank details.

If you have collected materials donations such as food, clothing or blankets, contact the Vinnies Schools and Community Engagement Officer to have the items collected from your school.

Twists on the Vinnies School Sleepout

Worried a Vinnies School Sleepout won't work for your school community?

There are lots of ways you can still take a stand against homelessness in Australia and connect with Vinnies.

★ Host a combined Vinnies School Sleepout

Strengthen your relationship with other schools by hosting a combined Vinnies School Sleepout. Organisers can pool resources, host a larger event and it brings students together for meaningful collaboration.

★ Vinnies School Sleepout without the sleeping

- **A short sleep**

For younger students or 'time poor' participants, consider sleeping for only 1 or 1.5 hours. After 'sleep' time has concluded, gather students for feedback and sharing before they return home.

- **Afternoon/evening session**

Host an afternoon or evening event and focus on strong speakers and student activities instead of actually sleeping.

★ Just a taste

- **Classroom presentation or activity**

Invite a local advocate or service worker to give a presentation or facilitate an activity in your classroom.

- **Themed lesson plan or student project**

Make a difference with your teaching by focusing on homelessness awareness.

- **School play**

Centre your play around a story that raises awareness about homelessness.

- **Social media campaign**

Invent creative hashtags or activities to raise awareness and funds to impact homelessness.

- **Lock in**

Host an afternoon or evening event where students are 'locked in' a classroom. They give up technology such as computers, tablets, phones to feel which it might be like to have no comforts in life - for just a short time.

Keep Making a Difference after your Vinnies School Sleepout

★ Advocate

Students have made history as the voice of change. Reserve time in the classroom to teach students how to write to their local MP in support of housing affordability and funding for social services. Even telling friends and family about issues affecting homelessness is an important way for students to make a difference and change others attitudes.

★ Collect good quality material donations

Set up a food, clothing, school supplies or household goods drive at school and encourage students to donate good quality items. Food items can be donated to our food vans and material goods can be donated to shops where they help individuals and families experiencing disadvantage get back on their feet.

★ Say Hello

People experiencing homelessness often say that loneliness is one of the most difficult realities of living on the streets. Smile and say hello to people on the streets – this simple act sends a powerful message that they, as an individual, count.

★ Focus on homelessness in the classroom

1 in 18 Australians is experiencing disadvantage so the reality is that some students at your school could be experiencing hardship as well. Make the issue of homelessness and disadvantage the focus of a lesson plan, student project or school speaker. Get creative, there are many ways for students to learn and be moved by an issue, especially one so prevalent in our society.

Stories about Rebuilding Lives

★ Paige's story

When most kids were getting ready for the SACE, Paige was fending for herself on the streets. At just 15, Paige found herself totally alone. Her mother had passed away after suffering from leukaemia, she wasn't welcome or safe in her father's home because of an abusive stepmother, there wasn't any other family around, and she had very little support elsewhere.

She spent her subsequent years couch-surfing, sleeping rough and relying on the kindness of friends. Her story shows just how quickly someone can find themselves in a desperate situation. Without the support that is so vital for teens and young adults, it's a fast downwards spiral.

Poor choices seem like good ones – because they numb the pain, and hanging out with the wrong crowd is better than being all alone.

Everyday Vinnies staff and volunteers are in homes, schools hospitals and communities helping people like Paige to rebuild their lives.

26.2% of the homeless population are Children aged under 18, that's 1,565 per night in South Australia alone.

“Thank you for helping me build my life again. I just needed that support which I’ve never had. The St Vincent de Paul Society have saved my life.”

THANK YOU

On behalf of the thousands of men, women and children who turn to the St Vincent de Paul Society for assistance every day, we extend our most sincere thanks to your school community for hosting a Vinnies School Sleepout.

You have made a difference for those people experiencing homelessness in your local community.
