WATERING DAYS Perth and Mandurah

The watering day roster uses your street number, not your unit number ie: if you live at Unit 1/22 Walter street you should use 22 as your number.

Remember to only water on your rostered day once, either before 9am or after 6pm.

If you are found to be watering on days you are not rostered, you will receive a \$100 fine from the Water Corporation.

Winter sprinkler switch off is 1st June - 31st August every year
