

VINNIES

Justice Housing

Giving people a second chance

When people leave jail, it is common for them to become homeless

We house people leaving jail who without our help would be homeless

We also help them to get a job

We teach life skills like budgeting, cooking and cleaning

We help them find a permanent home

Justice Housing

Adam's Story

Meet Adam

When he left jail he had no home or job

He went to CIT to study fitness

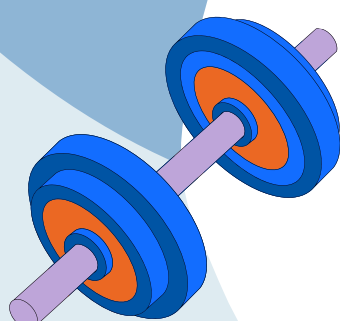

We helped him see his sons again who lived out of Canberra

After 2 months with our help, he was able to find his own home

He now works in a gym as an instructor and wants to open his own gym
