

NAME:

Migrants, Asylum Seekers and Refugees - Summary Activities

TIMELINE

Read through the 'Refugees, Asylum Seekers and Immigration fact book' and identify the key developments in Australia's policies and the key events that have occurred. Create a timeline of these developments and events using the blank timeline below. You do not need to include every single event or policy change that is identified in the booklet, however you must include at least 10 key events/policy developments.
